

# NICE TABLE-TOP™

The decoflame® Nice Table-top™ fire comes in four different standard finishes: brushed or polished stainless steel and black or white powder-coated steel. As part of the Nice™ Freestanding fires, the burner comes in a standard finish of white and can be placed on any level surface in- or outdoors.

Nice™ is designed to add the cosiness and wild romantic of an open fire to long summer nights in your garden, on your terrace or in your livingroom. The Nice Table-top™ fire comes in two sizes: the smaller Nice Lounge™ (250mm square) and the larger Nice Tower™ (345mm square).

The decoflame® burner is made of brushed stainless steel and is shielded by an 8mm tempered glass surround.
